TO WHOMSOEVER IT MAY CONCERN

We are greatly indebted to Shri Anil Pandey ji who acted as our technical advisor of our 250 TPD corn wet milling unit from January, 2023- January, 2024. In this letter of gratitude, we appreciate the sincere efforts and time he dedicated in renovating, reviving and modifying a ruined plant and bringing it back into production & commercial viability.

Mr. Pandey was highly resourceful, knowledgeable, patient, and dedicated towards the project and its various challenges. He contributed a great deal in rectifying and resolving various issues in the plant and existing orders, without which this industry could not be resurrected.

As the management of HFDL, we were greatly inspired and motivated by Pandey Ji, who boosted our morals at every turn, and followed the highest standards of ethics in the industry.

It is due to his sincere efforts, that HFDL received a new lease of life and we thank Shri Anil Pandey ji with the utmost satisfaction for his services and highly recommend him for all new industrial ventures.
