TO WHOM SO EVER IT MAY CONCERN

We thank Mr. Anil Pandey of M/s A P Engineers, 81/2 Badrivishal, R A K Road, Wadala, Mumbai – 400031, for his Technical Advisory services related to setting up of 180TPD Maize starch Unit for our company M/s Regaal Resources Private Limited at Galgalia, Thakurgunj, Bihar commissioned on 19th September 2018. The plant is running at rated capacity.

His end to end involvement has been commendable right from conceptualisation and designing of the layout plan, selection of suppliers, delivery schedule for optimum utilisation of resources. The products are having excellent feedback in the market. Further his far sightedness and planning has positioned us well to increase to leverage and increase the capacity at minimal capex.
